

# Principal's Message

August 2015

Hello Lindy Lion families! My name is Mrs. Carter and I am the new principal at Lindstrom Elementary. I am looking forward to the start of the new school year and the opportunity to get to know the school community. For those students and parents new to us this school year, we are happy to have you join our family and are proud to welcome you to Esther Lindstrom Elementary School, a California Distinguished School, and a great place to learn.

At Esther Lindstrom, we are committed to providing a collaborative, safe environment wherein students are cooperative, compassionate, and confident, use 21<sup>st</sup> Century skills, and attain academic excellence preparing them to be among the nation's best.

The staff and I invite you to join in our commitment to provide an environment of educational excellence. We believe that a strong connection between the home and school is essential to your child's academic success and that your active support and cooperation combined with our professional efforts will ensure your child's achievement this year. You can be involved in your child's education this year by joining the PTA, attending school events and meetings, and making sure your child is prepared and ready to learn everyday. We look forward to seeing you at Back to School night and to working together this school year. To stay updated with the most current calendar events, visit the Esther Lindstrom school website at [busd.k12.ca.us./lindstrom.html](http://busd.k12.ca.us./lindstrom.html).

Thank you in advance for your support and the opportunity to work with each of you and your children. Please feel free to call and conference with teachers to create the best educational plan for your child or contact the office if you have any questions or concerns. We are here to provide a quality education for all students and look forward to working with your family.
